

# Franchise Resale

Scarborough, Ontario

The objectives of the Superior Tire & Auto Franchise System and Operating Programs are to offer an opportunity to a dealer to make a profit in exchange for the investment of their time, effort and money that's required to launch and steer their business along a course of positive and profitable results.

We accomplish this by developing the economy of scales needed to provide the competitive edge in operations, to provide the buying power, developing management effectiveness, marketing programs, training programs and in general, pursuing our common goal of exceeding our customers' expectations.
